Accounting for Non-Accountants I

February 26-28, 2020

CCE CENTER FOR CONTINUING EDUCATION

This course is designed for individuals without accounting background but who need to understand and appreciate how business transactions are recorded, summarized, and interpreted for commercial decision-making purposes. Through a series of exercises, participants get a hands-on experience on the practical application of theories and concepts in the “accounting cycle,” from event/transaction recognition to financial statement preparation, review, and appreciation.

Accounting for Non-Accountants I
