ATENEO DE MANILA UNIVERSITY  
 GRADUATE SCHOOL OF BUSINESS

technology, quality & operations management

# Agile Project Management

CCE CENTER FOR CONTINUING EDUCATION

The PMI Registered Education Provider logo is a registered mark of the Project Management Institute, Inc.

Being a project manager, you need to have a set of simple guiding practices that proved a framework within which to manage, rather than a set of rigid instructions.

*Agile Project Management* will enable you to implement agile methodologies including change, fluid organizations, setting limits, and most importantly - not to be just a manager, but a leader.

# Agile Project Management

## objectives

After the course, you will:

1. Learn how to combine business vision, communication skills, soft management skills, and the technical savvy with the ability to play, coordinate, and execute;
2. Be provided with techniques to guide you as a project manager from being a task maker to a leader;
3. Enhance focus on inspiring teamwork and collaboration, championing the project, and remove obstacles to progress; and
4. Acquire skill integration for positive, successful execution of projects; leadership skills; and multiple agile frameworks.

## professional development units

As a Registered Education Provider (REP), the Ateneo Center for Continuing Education (CCE) can award professional development units (PDUs) to Project Management Professionals (PMP)<sup>®</sup>.

As a PMP<sup>®</sup>, PMI<sup>®</sup> requires you to attend sixty (60) hours of professional development activities within three (3) years.

By attending the *Agile Project Management*, you get to learn from the experts, exchange ideas with fellow classmates, and earn 13 PDUs.

PMI, PMBOK, and PMP are registered marks of the Project Management Institute, Inc.

## who should attend

- Advanced Project Management stakeholders
- PMO members
- Executive Sponsors initiating programs and managing strategies
- CXOs seeking hands-on knowledge on how to implement strategy

## resource person

**MR. MARIO DOMINGO** is the Founder of several successful Artificial Intelligence Technology companies in Life Sciences, Media, Consumer and Digital Enterprises based in Singapore and the Philippines. He is active in helping organizations transform their businesses by focusing on customers using AI. He is the Director of the Ateneo Institute of Digital Enterprises.

He spent 10 years at Globe Telecom, Inc. where he led the digital business transformation, product design and creation and the enterprise discipline in project management. He spent 19 years in programs and projects for defense, manufacturing and information technology in the USA.

Mr. Domingo has two Master's Degrees in Finance and Applied Economics from the University of Southern California, USA and took his Artificial Intelligence Diploma Courses at the MIT Computer Science AI Lab.

## program content

- I. What is Agile Project Management?
- II. How does it compare to traditional project management courses
- III. How to successfully transition to agile
- IV. Agile frameworks including scrum, kanban, lean, and more.

## methodology

50% workshops  
50% lectures and discussions

## complementary courses

**The Accidental Project Manager**  
*February 28, 29, March 6, & 7, 2020*

This program is designed to give you an accelerated understanding of the practice. The program will help you navigate and survive the transition from technical and/or functional manager to a project manager.

**Program Management: Managing Multiple Projects**  
*April 17 - 18, 2020*

This program aides project managers or individuals in planning, organizing, and managing related projects called programs as well independent projects.

**Project Stakeholder Satisfaction:**  
*May 15 - 16, 2020*

Aligned with the PMBOK<sup>®</sup> Guide, PMs and non-PMs alike will benefit from this course as it defines stakeholder management and satisfaction methods that lead to successful project delivery or a successful initiative. Practical methods and techniques are discussed as well.
