Effective Work Management

April 6 - 7, 2020

 CENTER FOR CONTINUING EDUCATION

It's a paradox that in practically all training and development programs of many organizations, interests are focused on technical know-how. There are areas which are often time neglected – Effective Work Management which reduces stress and results to better time management.

This program has been designed for all members of the organization who are designated to get things done with others effectively and efficiently. Meaningful guidance and skills will be provided so that the participants maybe able to attain or exceed objectives with self-management together with other members of the organization.

Effective Work Management

objective

By the end of the workshop, participants will be able to:

1. Enumerate the expectations of management for all associates;
2. Identify sources of time robbers and stress;
3. Apply critical steps for effective planning;
4. Explain the value of establishing and maintaining work relations;
5. Implement guidelines for managing change;
6. Apply the critical steps for high quality decision-making; and
7. Conduct effective meeting using the required guidelines

who should attend

associates, technical personnel, supervisors, and managers

resource person

MR. ARMANDO T. BONGCO, JR. is a Professional Management and Organization Development Consultant specializing in leadership supervisory and management development, strategic planning, performance management, coaching and counseling, training and development, human resource for line leaders, and organization transformation.
