## leadership and management

# Preparing to Lead

First Step in Transitioning to Management  
September 25 - 26, 2019  
Ateneo Graduate School of Business  
CLARK CAMPUS

 CENTER FOR CONTINUING EDUCATION

Let's face it - what you did to succeed as an individual contributor, will not make you a successful manager in charge of others. Making the step up from individual contributor, to becoming a leader and a manager, is a big shift - both in terms of mindset and skills. First time managers need to be equipped with the right skills and practices to ensure success - both on an individual, and on a team level.

This course serves to equip new leaders, managers, high-potential employees, and those aspiring for a managerial position, basic knowledge and skills to help them become effective at leading, managing successful teams of people. This two-day course will focus on main mindsets, skills, tools, and knowledge, to help manage the transition to becoming an effective manager.

## Preparing to Lead

### First Step in Transitioning to Management

## objectives

At the end of the course the participants will be able to:

1. Understand the role, and the expectations of managers;
2. Be equipped with theories and practices essential to leading today's modern workforce and;
3. Apply fundamental skills needed to lead people and teams.

## who should attend

new leaders, managers, high-potential employees, and those aspiring for a managerial position

## complementary programs in clark campus

### Lean Six Sigma Yellow Belt Training

October 8 - 9, 2019

This is a two-day introductory program that covers the basic principles of Lean and Six Sigma. Yellow Belts participate in process improvement activities by providing support to Black Belts and Green Belts as needed. They understand the fundamentals of Lean Six Sigma and support projects with process knowledge and data collection.

### Applied HR for Line Leaders

October 21 - 22, 2019

This course intends to respond to all these difficulties from the point of view of officers, managers, supervisors, and team leaders. By providing the necessary skills and clear understanding of the roles, a harmonious working relationship will be attained. This will benefit the leaders, team members, and organization as a whole.
