- * Managers and supervisors
- * Quality officers and team members

program director

MS. ANAMARIA M. MERCADO is a certified Six Sigma Master Black Belt and Lean Practitioner. She received her certification after six weeks of training in the US and a two-year full-time assignment as a Six Sigma Deployment Manager. She is also the Program Director of Six Sigma Certification Programs at the Ateneo Graduate School of Business - Center for Continuing Education.

As a Deployment Manager, she helped launch the continuous improvement initiative in her former company. She managed multiple projects across the organization, improving process performance and customer satisfaction while delivering financial benefits.

Further, she has professional experience in sales and marketing management, as well as in training and development. Over the years, Ms. Mercado has concentrated on providing training and coaching services to various clients across industries, particularly in the areas of business process improvement and service excellence.

Ms. Mercado has a degree in Business Economics and post-graduate units in Professional Education from the University of the Philippines. She also holds a Masters degree in Business Administration from the Ateneo Graduate School of Business.
